

## "Why Swear, Dear? Use 'Gets-It' for Corns!"

It's the New Plan. Simple. Sure as  
Fate. Applied in a Few Seconds.

"Why, John, I never knew you to  
use such language! I've told you  
several times it's no use to try those  
bandages, salves, tapes, plasters, and

"You Wouldn't Lose Your Temper, John,  
If You Used 'Gets-It' for Those Corns!"

contractions for corns. Here's some  
'Gets-It'. It's just wonderful how easy,  
'clear and clean' it makes any corn  
come right off. Takes but a few sec-  
onds to apply. It dries at once. Put  
your sock on. Light over it—there's  
nothing to stick or roll up, form a  
bundle of your toe, or press on the  
corn. It's painless, simple as rolling  
off a log. Now put away those knives,  
razors and scissors, use 'Gets-It' and  
you'll have a sweeter disposition and  
no more corns and calluses.

'Gets-It' is sold by druggists every-  
where. Use a bottle, or sent direct by  
L. Lawrence & Co., Chicago, Ill.

ed as the world's best corn remedy

## THE EVENING BANNER BENNINGTON - VERMONT

Friday, February 4, 1916.

### BASKET BALL TONIGHT

Drury High Will Play Local High  
School at Library Hall.

The Boys of Drury high school will  
play the Bennington high school boys  
at Library hall this evening. Drury  
high school in previous years has had  
the reputation of sending forth a fast  
team and as this is their first game  
this season with the local boys, it  
should be of exceptional interest to  
all the ardent followers of the basket  
ball.

The preliminary game will be play-  
ed between the first high school girls  
and the G. M. G's. This will be the  
initial public appearance of the G. M.  
G's and their fast playing matched  
against the sure and steady game of  
the high school girls will make a con-  
test well worth watching. The play-  
ers on the G. M. G. are as follows:  
Nellie Maher, Margaret Young, Marie  
Young, Annie Fraher, Helen McGuire  
and Agnes Stone. The team to repre-  
sent the high school will consist of  
Margaret Nash, Minnie Fischer, Beu-  
lah Whiteley, Helen Carpenter and  
Alice Green.

About the good time after the game  
it is unnecessary to say anything for  
the hour of dancing is so thoroughly  
enjoyed that it advertises itself. The  
price of admission will be the usual  
one, 20 cents. The first game will be  
called promptly at 7.30.

### NORTH BENNINGTON

The Senior Pathfinders will have  
their mission study class this evening.  
There will be a food sale Saturday  
afternoon at 2.30 o'clock at the home  
of Mrs. Edward Hart of Main street  
under the auspices of the Senior  
Pathfinders.

A good sized audience gathered in  
Bank hall, Wednesday evening to en-  
joy the entertainment provided by the  
local W. C. T. U. at their annual  
Frances E. Willard meeting. The  
drill, entitled "Crowning of the Prohi-  
bition States" was well deserving  
of the applause which greeted the  
twenty-two young ladies, all in white,  
as they marched in and formed them-  
selves in a semi-circle on the stage,  
with Miss Rosalind White as Colum-  
bia in the center. Twenty of the  
number, one half with red sashes and  
the other with blue, represented the  
nineteen prohibition states in the  
union, with Vermont as a hopeful Be-  
ginning with Maine and each state  
following, in the order of its adoption  
of the law, each young lady was led  
forward where she knelt on a stool  
and was crowned with a laurel wreath  
by Miss Martha Weeks, with appro-  
priate remarks. Each one took her  
own part so well, that they combined  
to make a perfect whole, and were a  
very pretty sight to the interested  
audience. The music for the evening  
consisted of a solo, by Mrs. Louis  
Rabner, and two selections by the W.  
C. T. U. quartette, Mrs. Louis Rabner,  
Mrs. C. W. Turner, Mrs. Myra En-  
dress and Mrs. A. S. Hathaway with  
H. S. Phillips at the piano. The ad-  
dress of the evening by Miss Lillian  
Phelps, on "Prohibition versus Local  
Option," was forceful and convincing.  
Miss Phelps has much oratorical  
ability and held the close attention of  
her audience. A collection of thir-  
teen dollars and twenty-five cents was  
taken, which goes to help in forward-  
ing the state work of the order.

### COUNTY CLERK

With No Appetite, All Run-down, Tells  
How Vinol Helped Him.

So many cases like this are com-  
ing to our attention that we are pub-  
lishing this letter for the benefit of  
Bennington people who are in Mr.  
Kelly's condition. Read our offer be-  
low.

Clarksville, Tenn. "I am a County  
Court Clerk, and became run-down,  
no appetite, was drowsy and felt bad-  
ly most of the time. I had tried sev-  
eral remedies without benefit. One  
day I read an advertisement of Vinol  
and at once tried it. In a short time  
my appetite improved, my strength  
increased and I felt better in every  
way." S. W. Kelly.

The reason Vinol is so successful  
in such cases is because it is an un-  
equalled tonic-body-builder, combining  
native wine, the oldest and most  
famous tonics known to medicine.

So strong is our faith in Vinol that  
we offer to return the purchaser's  
money in every case if Vinol should  
fail to give satisfactory results. Wm.  
L. Gokay, Druggist, Bennington, Vt.

### WOULD RAISE COAL PRICE

Operators Refuse Demands for In-  
crease in Wages.

The anthracite coal operators re-  
jected at New York yesterday the de-  
mands of their miners for a 20 per  
cent increase in wages, complete rec-  
ognition of the United Mine Workers of  
America, a two-year working agree-  
ment, an eight-hour day and changes  
in the methods of fixing wages.

### In a reply to their employees signed

by the heads of 19 anthracite compa-  
nies and approved at their meeting yester-  
day, it is stated that to grant the  
wage increase would mean an ad-  
vance to the consumer of 60 cents a  
ton for domestic sizes of anthracite.  
The operators declare that the anthra-  
cite industry is being conducted  
"on as low a margin of profit as is  
possible, if the operators are to con-  
tinue to serve the public."

the band that held up and robbed a  
train near Laguna, north of Chihua-  
hua Sunday and that he personally  
shot and killed Thomas Ornelas, for-  
merly commandant at Juarez under  
his administration. Ornelas had sur-  
rendered to Carranza.

## BOB OTT And His Musical Comedy Company At Harte Theatre All Next Week

"ON THE MARCH"

A Farce with Music at Harte Theatre  
Next Monday.

Much anticipation has already been  
shown towards the appearance of the  
farce with music entitled "On the  
March", which has scored among the  
successful musical comedies now tour-  
ing the country. "On the March,"  
headed by Joyful Bob Ott, the popu-  
lar German comedian will be the of-  
fering at the Harte Theatre next  
Monday evening.

The book and lyrics are from the  
pen of Matthew Ott, who has given  
the musical comedy stage more good  
things than any other writer, includ-  
ing the Musical Comedy success,  
"Seven Hours in New York."  
"On the March" is said to be one  
of, if not the, very best farces Mr.  
Ott has ever written. A chorus is  
carried and there are eighteen catchy  
musical numbers introduced through-  
out the action of the play.

Special scenery is carried for both  
acts, as well as an abundance of hand-

some costumes and from other cities  
where "On the March" has appeared  
it is said to be one of the best Musi-  
cal Comedies ever offered at popu-  
lar prices. Seats will go on sale at  
box office Friday at 10 a. m. Mr.  
Ott and his company will present a  
new musical comedy every day. Mat-  
inees daily starting Tuesday. Prices  
matinee, children 10c, adults 20c.  
Evenings 10, 20 and 30c. Secure
